PM talks to CEOs of space startup on future prospects

Press Trust Of India

NEW DELHI: Prime Minister Narendra Modi on Friday interacted with CEOs and founders of 20 space startups at Seva Teerth, with discussions focusing on the growth of India's private space sector, wider applications of space technology and opportunities for global collaboration.

The interaction brought together leaders of companies working across various areas of the space sector, including rockets and reusable semi-cryogenic launch vehicles, avionics, satellites, advanced propulsion systems, space and defence intelligence, space debris removal and AI-powered hyperlocal weather and climate intelligence.

The startup leaders highlighted the rapid progress being made by India's private space industry and shared their vision for its future. They said they had invested significant time and effort in developing capabilities and technologies indigenously and expressed appreciation for the support extended by the government.

The CEOs and founders also highlighted the enthusiasm generated by the opening of the space sector to private participation and said the move had created new opportunities for industry.

Union Cabinet nods HC Bench For Ladakh Region

NEW DELHI: The Union Cabinet has approved the establishment of a Bench of the High Court of Jammu and Kashmir in Ladakh, a major decision aimed at improving access to justice for people living in the Union Territory's remote and geographically difficult areas. Union Home Minister Amit Shah announced the decision on Thursday, and the development remained among the important government decisions in the current news cycle. According to the government, the High Court Bench will significantly reduce the time, travel and logistical difficulties faced by citizens seeking judicial remedies. Ladakh's vast distances and challenging terrain have long made access to courts difficult for many residents. Amit Shah said the decision reflected the Union government's commitment to the all-round development of Ladakh and the protection of constitutional safeguards.
