	Centre (Thrissur)	<p>analysis of the present healthcare system reveals a large divide between the availability of quality healthcare services and its affordability. The quality healthcare comes at a price that puts it out of the reach of ordinary people. MAcare aims at making highly advanced diagnosis and treatment affordable to general public especially to the marginalized/underprivileged section of the society. Presently, MAcare’s clinics have been launched at Thrissur and Kaloor. With the intention of improving the healthcare initiatives, the company planning to expand the MAcare Diagnostics Centre, Thrissur by launching new specialty & super specialty departments and by installing highly advanced medical equipments. Our objective is to create a healthy community who can avail the best of healthcare services and facilities at the most reasonable and affordable prices.</p>				<p>spent an amount of Rs 4,98,05,675/- out of CSR Upsent account (2020-21) during the Financial Year 2021-22.
