Safe Harbour Statement

This presentation may include statements, which may constitute forward-looking statements. All statements that address expectations or projections about the future, including, but not limited to, statements about the strategy for growth, business development, market position, expenditures, and financial results, are forward looking statements. Forward-looking statements are based on certain assumptions and expectations of future events. The company cannot guarantee that these assumptions and expectations are accurate or will be realized. The actual results, performance or achievements, could thus differ materially from those projected in any such forward-looking statements.

The company assumes no responsibility to publicly amend, modify or revise any forward-looking statements, on the basis of any subsequent developments, information or events, or otherwise. While every effort is made to ensure that this presentation conforms with all applicable legal requirements, the company does not warrant that it is complete, comprehensive or accurate, or commit to its being updated. No part of the information provided herein is to be construed as a solicitation to make any financial investment and is provided for information only.

Any person/ party intending to provide finance / invest in the shares/businesses of the Company shall do so after seeking their own professional advice and after carrying out their own due diligence procedure to ensure that they are making an informed decision. In no event shall the company be liable for any damages whatsoever, whether direct, incidental, indirect, consequential or special damages of any kind or including, without limitation, those resulting from loss of profit, loss of contracts, goodwill, data, information, income, expected savings or business relationships arising out of or in connection with the use of this presentation.

Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the company's operations include global and Indian demand supply conditions, finished goods prices, feed stock availability and prices, cyclical demand and pricing in the company's principal markets, changes in Government regulations, tax regimes, economic developments within India and the countries within which the company conducts business and other factors such as litigation and labour negotiations.

Manappuram Vision

Become the financial partner of choice to under-banked customers across their lifecycle

Leading gold loan player in India, with a trusted brand and nation-wide reach

Pioneer in process innovation in gold loans (online gold loan product 'OGL' and cellular vaulting mechanism)

Calibrated approach to growth in other loan products – MSME, home loans, loans against property and MFI

Branch network of **5,000+** branches with employee strength of **~42,000+** on consol basis

Well capitalized **22.4% CRAR**, with strong ALM and access to diversified sources of funds

Operational rigor: Perfected the art of managing appraisal, custodial and valuation risks that are inherent in gold lending

Trusted brand: Safekeeping of household gold jewellery on behalf of **3 mn** active customers

Use of technology: Increasing focus on technology for sourcing, operations, underwriting, managing risk and collections

Prudent credit and risk management: Strict adherence to well defined processes, including timely auctions

Strong Board driven governance process

MANAPPURAM TODAY

Create market for gold loans as a mainstream, convenient and affordable product

GROWTH STRATEGY

COMPANY DNA

One stop shop for meeting customers borrowing and protection needs

Housing Finance Business Update For Q2 FY2027

Operating Review

- Started commercial operations in January 2015
- Focus on Affordable Housing for Mid to Low-income across self-employed and salaried customers (~80% self-employed)
- Focus on South and West India, 108 branches
- Rated AA - /Stable (Long Term) & A1+ (Short Term) by CRISIL
- Rated AA - /(Stable) (Long Term) by CARE
- Gold Loan launched in Q1 FY 27| 5 Exclusive branches | AUM – Rs 35 Cr

Housing Finance Business Strategy

Growth drivers for future expansion

- Strong parentage and brand providing access to a large customer base
- Continued expansion of branch network across 12 states
- Focus on higher Average Ticket Size (ATS) customers
- Performance enablement programs and digital interventions to drive productivity

Customer Servicing and Collection Management

- Intuitive customer-facing mobile application enhancing accessibility and convenience
- Strong CRM capabilities driving customer engagement, retention, and service quality
- Digital-first collections infrastructure
- Comprehensive in-house legal and field collection network enabling timely resolution and recovery

Origination and Sourcing

- Deep market presence across suburbs of Tier 1, Tier 2, and Tier 3 locations
- Broad product suite with attractive risk-adjusted returns
- Cluster-driven operating model ensuring focused market coverage
- Partnerships with DSAs and connectors
- Region-specific marketing strategies

Underwriting

- Multi-level loan approval process
- Suite of profile-based assessment templates facilitating data-driven decisioning
- Disciplined and competitive credit policy framework designed to drive sustainable growth while maintaining asset quality

MSME and Allied Business – Strategy

Stronger in Rural and Semi Urban locations (tier-3 / 4)

Products disbursed via ~160 branches with further ramp-up underway

Predominantly digital collections (94%)

Diverse product portfolio covering secured loans for both salaried and self-employed customers

Large cross-sell potential with existing gold loan customers; proprietary gold loan data used as input for underwriting

CRM tool integrated with loan management system to drive end-to-end visibility

Origination and Sourcing

- Capitalize on strength of brand in Southern states
- Sourcing through local activities, digital marketing, DSAs and cross sell to gold loan customers

Underwriting

- Multi-level regional / head office underwriting and sanction by credit team (based on ticket size)
- Suite of profile-based assessment templates facilitating data-driven decisioning
- Competitive credit policy framework

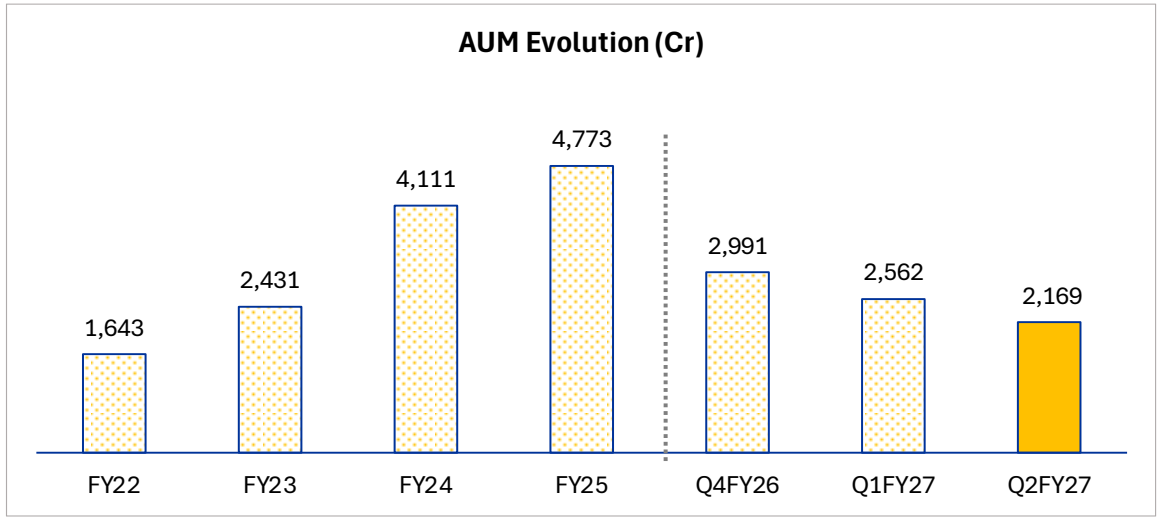

Customer Servicing, Collections

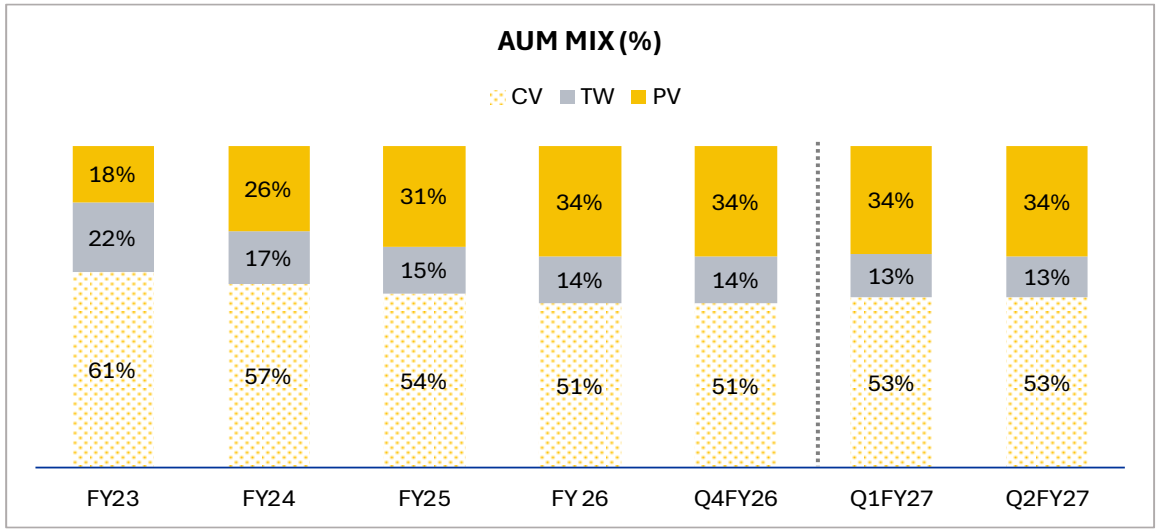

- Strong Customer Relationship Management team
- Digital-first collections infrastructure
- Dedicated in-house collection teams supported by third party agencies

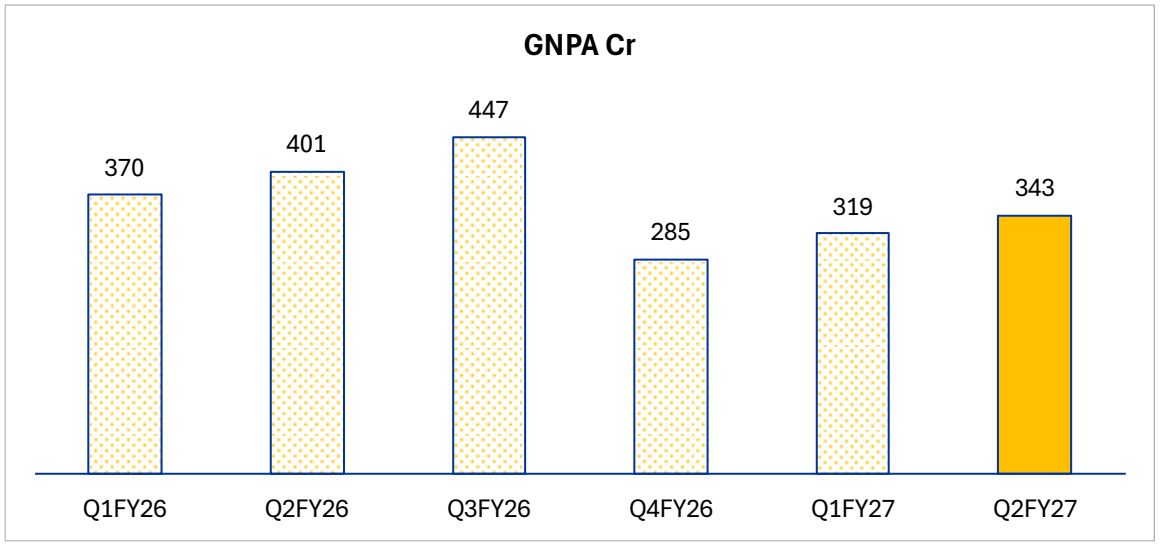

Drivers for future expansion

- Geo expansion to existing gold loan branches
- Move towards higher Avg Ticket Sizes
- Focused training programs, revamped incentives and digital interventions to drive productivity

Vehicle and Equipment Finance Business Update for Q2 FY2027

Operating Overview and Focus Areas

- Paused disbursals to re-assess segment strategy
- Focus on driving collections across business lines via multiple initiatives including :
  - Digital collection management platform
  - Separate teams for soft / hard bucket including third party collection agencies
  - AI tools for building dedicated strategies for different customer segments
