Army: China's Arunachal incursion reports are fake

ANI
NEW DELHI

The Indian Army on Monday rebutted reports in a section of the media alleging encroachment by the Chinese People's Liberation Army (PLA) and setting up camps in Arunachal Pradesh and termed them "incorrect and without basis".

"We have seen some media reports alleging recent encroachment by Chinese PLA and setting up of camps in Arunachal Pradesh. These reports are incorrect and without any basis," the Indian Army said.

India and China held the 35th meeting of the Working Mechanism for Consultation & Coordination on India-China Border Affairs (WMCC) in Beijing last month.

A release from the Ministry of External Affairs said later that the discussions were constructive and forward-looking.

The situation along the China border is stable, said the outgoing Army chief

The two sides reviewed the situation in the India-China border areas and expressed satisfaction with the progress made in maintaining peace and tranquility in the border areas, which has enabled progress towards gradual normalisation of bilateral relations.

Outgoing Army chief General Upendra Dwivedi on Monday said the situation along the China border is stable even though it continues to be sensitive, requiring constant vigilance, and added that the two militaries hold over 1100 ground-level interactions annually to prevent misunderstandings and address routine border issues.

Delhi okays policy for electric vehicles

PTI
NEW DELHI

The Delhi government has approved an electric vehicle policy that eliminates registration fees and road taxes for EVs priced up to Rs 30 lakh, offers a Rs 1 lakh incentive for purchasing new EVs while scrapping old vehicles, and mandates that only electric two-wheelers can be registered starting April 2028.

However, all types of hybrid vehicles are dropped from the incentive scheme.

Under the new policy, people buying e-two-wheelers will get a subsidy of Rs 30,000 in the first year, Rs 20,000 in the second year and Rs 10,000 in the third year.

Only electric autorickshaws will be registered in Delhi from January 1, 2027, while registration of new petrol and CNG two-wheelers will be phased out, with only electric two-wheelers to be registered from April 1, 2028.

The policy proposes an estimated financial outlay of around Rs 7,000 crore over its implementation period, including over Rs 1,500 crore for purchase incentives, more than Rs 1,500 crore towards vehicle scrapping incentives, Rs 1,000 crore for expanding charging infrastructure, and over Rs 3,000 crore in revenue foregone through road tax and registration fee waivers to encourage adoption of EVs.
