

CWC returns Mekedatu DPR, faults Karnataka plan

Commission says revised proposal defies tribunal award & SC's ruling

SV KRISHNA CHAITANYA @Chennai

AMID a war of words between Tamil Nadu and Karnataka over the controversial Mekedatu project, the Central Water Commission (CWC) has returned the Detailed Project Report (DPR) submitted by Karnataka for executing the reservoir project across Cauvery, saying the proposal does not conform to the Cauvery Water Disputes Tribunal (CWDT) award and the Supreme Court's 2018 judgement. As per official documents available with *TNIE*, the CWC had returned the DPR to Karnataka on June 29 for suitable alterations, as the state had proposed to expand the volume of water that could be stored for consumptive use by 2.2 tmcft.

The upper riparian state had also introduced a completely new component, the Shivanasamudra Run-of-River Power Project, involving construction of a diversion weir across the Cauvery in the revised project report.

KARNATAKA WILL APPEAL BEFORE CWWA ON CAUVERY ORDER TODAY

Bengaluru/New Delhi: Karnataka has decided to challenge the Cauvery Water Regulation Committee's (CWRC) directive asking it to release water to Tamil Nadu. The state will take up the matter at the 54th emergency meeting of the Cauvery Water Management Authority (CWMA) scheduled for Thursday afternoon in New Delhi. The meeting will be held in a hybrid mode and the state will be represented by Karnataka Water Resources Additional Chief Secretary Gaurav Gupta. He will be accompanied by a team of water experts from Karnataka. The meeting agenda includes a review of the hydrometeorological conditions in the Cauvery basin and the deficit in flows realised at Biligundlu and the Karaikal region of Puducherry during the present financial year.

The CWC's observations came after examining a compliance report submitted by Karnataka on April 21, 2026, in response to queries raised by the commission on the original DPR submitted in 2019.

When Karnataka first proposed the Mekedatu project in 2018, it was presented as a balancing reservoir intended to divert about 23.75 thousand million cubic feet (TMCFT) of water to provide an additional consumptive use of 4.75 tmcft for drinking water supply to Bengaluru and nearby areas. Based on this proposal, the CWC gave an "in-

principle" clearance for preparing the DPR in November 2018.

However, in its revised proposal submitted this April, Karnataka had introduced the Shivanasamudra Run-of-River Power Project and increased the proposed consumptive use from 4.75 tmcft to 6.95 tmcft.

The CWC noted that these were major changes that were never part of the original DPR submitted in 2019. The commission also questioned Karnataka's justification for constructing a reservoir with a live storage capacity of 59.46 tmcft. Live storage refers to the amount of water that can actually be stored and used in a reservoir:

26 kg ketamine, ₹82 lakh cash seized in ED raids

EXPRESS NEWS SERVICE

@Hyderabad

THE Directorate of Enforcement (ED), Bengaluru, conducted searches at multiple premises in Hyderabad and Chennai as part of a money laundering investigation linked to an organised clandestine ketamine manufacturing and trafficking network.

The probe stems from an Enforcement Case Information Report (ECIR) registered on the basis of a prosecution com-

plaint filed by the NCB, Bengaluru, under the NDPS Act. The predicate offence relates to the seizure of 26.75 kg of ketamine from J Kannan in Bengaluru on April 30, 2019, followed by the recovery of 25.45 kg from a clandestine laboratory allegedly operated by Shivraj Urs alias Mahesh Uthappa on May 1, 2019.

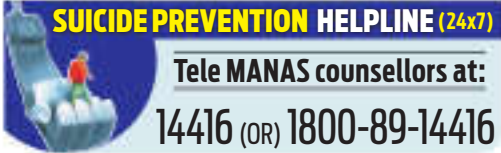

According to the ED, the investigation revealed that Putta Venkateshwarlu arranged raw

material from the R&D Centre of Inchem Laboratories Pvt. Ltd. in Hyderabad and allegedly supplied ketamine intermediates and technical know-how to Mahesh Uthappa for manufacturing the drug.

The agency alleged that the accused — J Kannan, Mahesh Uthappa and Putta Venkateshwarlu — are habitual offenders with previous involvement in the illegal manufacture, sale and transport of ketamine.

The ED further alleged that proceeds from the illicit trade were routed through cash and hawala channels and used to acquire movable and immovable assets, invest in companies and meet personal expenses.

During the searches, officials seized ₹82.82 lakh in cash, USD 18,000 in foreign currency, besides digital devices, mobile phones, financial and business records, property documents and other incriminating material. Further investigation is under way.

Student ends life after slap by lecturer

ENS @Hyderabad

AN 18-year-old Intermediate student died by suicide at his residence on Tuesday after a lecturer allegedly humiliated and slapped him. The deceased, T Tarun, was a resident of Kothapalli village in Jogulamba Gadwal district.

According to a police complaint filed by his brother, Telugu Mohan, Tarun was a second-year student at the Government Junior College, Gadwal. He had recently ranked second in the district by scoring 434 out of 440 marks in his first-year examinations.

Tarun died by suicide, hanging himself from a ceiling fan with a saree while his family members were away. Police recovered a two-page suicide note written by Tarun on an examination pad.

A case has been registered and the probe is on.

EXPRESS NEWS SERVICE

@Hyderabad

THE state government is strengthening tiger conservation efforts by improving water sources and habitats in the Amrabad Tiger Reserve, implementing a tiger reintroduction programme in the Kawal Tiger Reserve, restoring wildlife connectivity with Maharashtra's Tadoba Tiger Reserve, and expanding public awareness initiatives on wildlife protection, Forests, Environment and Endowments Minister Konda Surekha said on Wednesday.

Speaking at the International Tiger Day celebrations held at the Telangana State Forest Academy in Dulapally, Medchal-Malkajigiri district, the minister said these measures aim to increase the tiger population while ensuring the long-term conservation of forests and biodiversity. She appealed to citizens to take responsibility for protecting wildlife, stating that the Earth belongs to all living beings and not just humans.

Surekha inaugurated a photo exhibition on tiger conservation and watched a short film highlighting conservation initiatives. Addressing forest officials, trainees and conserva-

A tiger yawns at the Nehru Zoological Park, Hyderabad, on Wednesday, July 29 is observed as International Tiger Day | VINAY MADAPU

tionists, she said International Tiger Day, observed annually on July 29, has become a global platform for raising awareness about tiger conservation since its launch at the 2010 St. Petersburg Tiger Summit in Russia.

Highlighting Telangana's contribution to tiger conservation, Surekha said the Amrabad and Kawal Tiger Reserves have emerged as important tiger habitats in the country. She said habitat improvement, water resource development and modern protection measures have contributed to a significant rise in tiger numbers in the Amrabad Tiger Reserve. The minister said the gov-

ernment has launched a tiger reintroduction programme in the Kawal Tiger Reserve. As part of the initiative, Kawal has been connected with Maharashtra's Tadoba Tiger Reserve to support the natural movement and dispersal of tigers. Along with these ecological measures, the Forest department is conducting awareness programmes to encourage greater public participation in environmental conservation.

Calling for collective action, Surekha urged people to protect forests and wildlife to ensure a greener future for generations to come.

Shakambhari festival concludes in Warangal

Warangal: The Shakambhari festival concluded at the Sri Bhadrakali Devi Temple on Wednesday. The presiding deity, Goddess Bhadrakali Devi, was adorned with nearly four tonnes of leafy greens, vegetables, and fruits. The Shakambhari avatar of Goddess Bhadrakali symbolises Mother Earth, the provider of nourishment and abundance.
