

Youngster hops from one pothole to another attempting frog jumps | EXPRESS

The condition of Virajpet-Madikeri Road | EXPRESS

Youngsters highlight Kodagu's dilapidated roads the 'Gen Z' way

EXPRESS NEWS SERVICE
@ Madikeri

FRUSTRATED by the severe deterioration of roads across Kodagu, youngsters have taken to social media to vent their anger through creative satires. Memes depicting pothole fish breeding, frog-jump contests, finding the road in potholes and plantain revolution on potholes are going viral across social media platforms, demanding the attention of the concerned authorities.

Major PWD and urban roads across the district have severely deteriorated, giving rise to widespread public outrage. The Madikeri-Virajpet PWD road, which underwent temporary

repairs just two months ago, has since turned into a social media sensation. In one of the memes posted online, a youngster is seen jumping from one pothole to another on the Virajpet-Madikeri road. In another meme, a youngster is suggesting that locals start a fish breeding initiative across the puddle-filled potholed roads in the district. Another meme contrasts Mumbai's musical road with the jarring, mechanical racket you hear while navigating the pitiable roads of Kodagu. Meanwhile, the banana plantation drive on the potholed roads has become popular among both the younger and elderly crowds, who demand immediate relief work.

"The BJP leaders in the district are protesting against the Cockroach Janata Party and the Congress leaders are protesting against the BJP. But neither of the party workers are highlighting the ground reality of the district," shared Vaibhav R, a techie working from Virajpet. He questioned if any of these protestors have travelled on the Virajpet-Madikeri road? An auto driver in the region, Raja explained, "If I try to avoid one pothole on the road, the other two tyres of the rickshaw end up in the adjoining potholes. We have to take a zig-zag route throughout the stretch to keep our vehicles intact." He shared that the Public Works Department had done patch-

work of the potholed stretch two months ago and the same was washed off in a single rain. Meanwhile, youngsters highlighting the pitiable condition of the roads in a creative manner and are posting across social media platforms.

When asked, PWD AEE of Virajpet sub-division, Satish, confirmed that tenders have been called to carry out complete re-asphalt work from Virajpet-Bethri and from Madikeri-Murnad.

He detailed that Rs 10.3 crore tender for the Virajpet-Bethri road and Rs 4.5 crore for the Madikeri-Murnad road has been finalised, and the work will begin only after the end of the monsoon season.

Legislature panel displeased over poor maintenance of Pilikula Nisargadhama

EXPRESS NEWS SERVICE
@ Mangaluru

THE Karnataka Legislature Committee on Subordinate Legislation led by Chairman MLA S. R. Srinivas, visited Dr. Shivarama Karantha Pilikula Nisargadhama in Mangaluru recently. At a review meeting later, they expressed displeasure over its poor maintenance.

Committee member MLC K. Shivakumar directed department officials concerned to conduct a series of monthly programmes through the Kannada and Culture and tourism departments to make it a focal point in order to attract people. He urged that CSR funds from the big companies be used to enhance the infrastructure.

"When Ibrahim was the deputy commissioner of Dakshina Kannada, various promotional activities were organised due to which there was increased footfall but authorities have failed when it comes to public outreach in the last few years," he remarked, while stressing a need for complete revamping of Pilikula. He also expressed displeasure over outdated, poorly conceptualised 3D shows at Swami Vivekananda Planetarium saying it would not attract visitors as the sound system & visual presentations need to be upgraded or changed.

The DC in response, said that to change the existing projection

systems and introduce modern laser technology, they may require Rs 10 crore and private funding can be utilised.

Another member MLA Manthar Gowda instructed there must be no deviation from the primary objective of Pilikula which is conservation of biodiversity, heritage, cultural legacy promotion of eco-tourism in the coastal region.

MLC T. A. Sharavana, when questioned over CSR funds received from the government in the last three years and their usage, Dr Arun Kumar Shetty, deputy director of department of animal husbandry and veterinary sciences said that Rs 24.9 crore was received from the government in the last three years and the annual maintenance cost comes up to Rs 13 crore. He said due to severe shortage of staff and a lack of funds, they are struggling to maintain the park. He said a proposal to sanction 95 staff has been submitted to the government and is yet to be sanctioned.

He also said that a proposal

has been submitted to the government to hand over 356.20 acres of revenue land leased out to Pilikula Development Authority from the revenue department — to the Science and Technology department. He added that cabinet approval for the same is pending.

"The previous committee had also expressed displeasure over poor maintenance of the park and advised Pilikula Development Authority to hand over the operation and maintenance of Pilikula Biological Park (or zoo) to the Zoo Authority of Karnataka (ZAK). The process to hand over is underway and an assistant forest conservator has been appointed. The Zoo Authority of Karnataka has, in turn, agreed to take up the operation and maintenance," Dr Arun added.

Committee chairman MLA S. R. Srinivas directed Dakshina Kannada DC to submit a master plan for comprehensive development of the park. These include various development projects, appointment of staff, resource management and maintenance. He assured that the committee will discuss these issues with the district in-charge minister & CM D K Shivakumar and will ensure it is approved. Later, Srinivas said that the report on Pilikula development will be submitted to the chief minister before the next cabinet meeting.
