After father's bronze in 2010, Ajaya Babu bags silver medal at CWG

SREENU BABU PATIVADA
@ Vizianagaram

VALLURI Ajaya Babu, hailing from Kondavelagada village under Nellimarla mandal in Vizianagaram district, won the silver medal in the men's 79kg category at the 2026 Commonwealth Games in Glasgow. The 21-year-old claimed silver by lifting 149kg in snatch and 181kg in clean and jerk for a total of 330kg, narrowly missing out on gold to Malaysia's Erry Hidayat Muhammad, who totalled a Games record 331kg (147+184) during a gripping contest on Monday night. England's Chris Murray claimed the bronze medal with a combined lift of 325kg.

Ajaya's father, Valluri Srinivasa Rao, won Commonwealth bronze in 2010, putting Kondavelagada on the global map. Sixteen years later, Ajaya carried forward the family's weightlifting legacy with a silver medal.

Ajaya Babu has won nine gold medals, including the Junior Commonwealth Weightlifting Championship-2023 and Senior Commonwealth Weightlifting Championship-2024, besides two silver and two bronze medals at various national and international events. His father first discovered his talent in weightlifting. Ajaya later moved to Vijayawada for formal coaching before joining the Army Sports Institute, eventually becoming one of the top weightlifters from the region.

Speaking to *TNIE*, Ajaya Babu's father and 2010 Commonwealth bronze medallist Valluri Srinivasa Rao said, "Ajaya Babu is just six-year-old boy when in clinch bronze medal in 2010 Commonwealth Games held at New Delhi. Now, he becomes a top weightlifter and representing India on international platforms. I am very happy that he continued my legacy in weightlifting bringing laurels to my village as well as my nation. I thank all mighty, family members, friends, weightlifting associations and all supporters for their outstanding cooperation in clinching silver in commonwealth games."

Chief Minister N Chandrababu Naidu praised Valluri Ajay Babu for winning the Commonwealth Games silver medal, expressing hope that he would bring greater laurels to the district in future.

On Tuesday, MSME Minister felicitated K Srinivas felicitated Ajay Babu's father, Valluri Srinivasa Rao, at his camp office along with former MLC Pakalapati Raghu Varma.

Srinivas said, "My close friend Srinivasa Rao has trained hundreds of weightlifters and molded them into champions. It is a matter of tremendous pride that his son is carrying forward that legacy by winning a Commonwealth medal. Father then and son now have etched Vizianagaram's name permanently on the global sports map."

Two AI CoEs launched to boost DeepTech startups

Twin centers to strengthen multi-sectoral research collaboration

EXPRESS NEWS SERVICE
@ Vijayawada

EARLY-stage DeepTech startups in Andhra Pradesh will now have access to high-performance GPU computing, AI sandboxes, and specialised mentorship following the launch of the AI Center of Excellence (AI CoE) in Amaravati and Visakhapatnam on Tuesday, July 28.

Sanctioned jointly by the Ministry of Electronics and Information Technology (MeitY) and the Department of IT, Electronics & Communications (ITE&C), Government of Andhra Pradesh, the twin centers will operate under the Ratan Tata Innovation Hub (RTIH).

Speaking at the inaugural ceremony, RTIH & Andhra Pradesh Innovation Society (APIS) CEO P Dhatri Reddy said the facilities are designed to provide startups with infrastructure, market linkages, and commercialisation support.

"The twin centres will strengthen multi-sectoral collaboration among academia, industry, and research institutions, positioning the state as a leading destination for AI-driven ventures," she said.

Ananth Kumar, CEO of Bootstrap and Director (Incubation & Innovation) at SRM University, stressed on bridging operational gaps in mentorship, technology transfer, and commercialisation to help research-driven DeepTech concepts move into commercial entities.

Krishna Priya Akella, Founder & CEO of Starbuzz.ai, pointed out that startups can leverage the AI CoEs for critical GPU computing power, API access, investor linkages, and market reach. Tamil Nadu AI Association Executive Director C Aarthi Ram underscored the necessity of building customer-centric support systems.

Underscoring the role of higher education institutions, Ganesh Reddy Karri, Professor and Deputy Director at VIT-AP University's Centre of Excellence, called for deeper industry-academia integration to drive cut-through research.

The launch event concluded with an interactive session led by RTIH Incubation Head Tarun, who detailed the operational framework for startups, including specialised AI sandboxes, compute facilities, and structured industry linkages.

3 killed, 13 hurt as lorry rams into van

EXPRESS NEWS SERVICE
@ Vizianagaram

THREE people, including an eight-year-old boy, were killed and 13 others injured in a road accident near Chelluru village in the district in the early hours of Tuesday. The deceased were identified as Chintapalli Rambabu alias Ramunaidu (50), Majji Narayanarao (50) and B Mohana Naidu (8), all from Bocchapeta village in Vizag.

The accident occurred when a speeding lorry coming from Vizag rammed into a parked van from behind and dragged it for nearly 500 metres before stopping. The victims were daily wage labourers and their family members from Bocchapeta, who were travelling to Rayagada on a pilgrimage and had halted at Chelluru village to pick up two more persons.

According to sources, 16 members from three families residing in Bocchapeta under Padmanabham mandal in Visakhapatnam district, Boddavalasa in Denkada mandal and Chelluru in Vizianagaram rural mandal had hired a passenger van to visit Majji Gowramma temple, popularly known as Maa Majhighariani, in Rayagada. The van picked up passengers from Bocchapeta and Aynada Junction before halting near Chelluru.

The impact crushed the rear portion of the van, killing three passengers on the spot and injuring 13 others. Two of the injured suffered leg fractures, while one was reported to be in critical condition. Based on information from locals, Vizianagaram rural police rushed to the spot. The injured were shifted to Government General Hospital (GGH) in Vizianagaram, where they are undergoing treatment.

"Based on the local information, we reached the site immediately and launched the rescue operation. A case was registered and an investigation is on to ascertain the circumstances surrounding the collision," Vizianagaram Rural SI Ashok Kumar told the media.

EXPRESS READ

27 SV Ayurvedic College students taken ill due to food poisoning

Tirupati: Twenty-seven students of Sri Venkateswara Ayurvedic Medical College were hospitalised after suspected food poisoning at the hostel in Tirupati. They developed symptoms like diarrhoea, nausea and abdominal pain after having dinner on Monday night and were shifted to TTD Central Hospital. TTD Joint Executive Officer A Sharath said all students responded to treatment and were discharged after their condition stabilised. Officials said the food was supplied by the SVIMS Central Canteen and no other students or staff reported symptoms

Govt to come up with plan of action to combat zoonotic diseases in State

EXPRESS NEWS SERVICE
@ Vijayawada

THE government has begun drafting a State action plan to combat zoonotic diseases—illnesses that spread from animals to humans.

The initiative was launched through a three-day One Health workshop in Vijayawada, organised by the State Health and Family Welfare Department with support from the National Centre for Disease Control, US CDC, and Jhpiego.

Officials from health, animal husbandry, forestry, environment, agriculture, and fisheries departments, along with medical and veterinary experts, are working together to identify priority diseases.

Out of 45 conditions under review—including scrub typhus, melioidosis, anthrax, histoplasmosis, dengue, Zika, yellow fever, Covid-19, and rabies—most dangerous will be listed for control measures.

Discussions focused on strengthening surveillance systems, expanding testing capacity, ensuring rapid multi-department response, and improving information sharing. Training for doctors, veterinarians, and field staff, as well as community awareness programs, were emphasised.

Senior officials highlighted that inter-departmental coordination is essential to prevent outbreaks. At the end of the workshop, a finalized list of priority zoonotic diseases and recommendations on prevention, testing, emergency response, training, and public communication will form the backbone of AP's action plan.
