Tripura Announces Rs 117 Crore Subsidy to Offset Electricity Fixed Charge Hike

Agartala, Aug 21: The Tripura government has announced an additional subsidy of Rs 117.13 crore to the Tripura State Electricity Corporation Ltd (TSECL) to provide relief to consumers following a recent increase in fixed charges in electricity bills.

Power Minister Ratan Lal Nath said on Friday that the state Cabinet approved the additional subsidy on Thursday amid protests and complaints over the rise in electricity bills.The Tripura Electricity Regulatory Commission increased the fixed charges in June, triggering protests in several parts of the state. Nath said the government assessed the impact on consumers before deciding to provide relief. With the additional allocation, the government's total power sector subsidy for the current financial year will rise from Rs 77.57 crore to Rs 194.70 crore. Nath said the government would provide 100 per cent subsidy against the increased fixed charge, shielding consumers from the additional burden.The minister said Chief Minister Manik Saha had held a high-level meeting to consider measures following the protests and described the decision as an unprecedented step.

Nath also compared electricity tariff increases under the present and previous governments, saying tariffs had risen by 40.42 per cent during the current government's tenure, while they increased by 116 per cent between 2010-11 and 2017-18 under the previous Left Front government.

The announcement came amid criticism from the CPI(M) and Congress, which accused the government of imposing an "abnormal hike" in electricity bills. Consumers in several areas had also protested by gheraoing TSECL offices and demanding relief.

Meghalaya taxi body suspends Shillong-Guwahati services amid border tensions

SHILLONG, Aug 21: The Meghalaya taxi drivers' association has announced the suspension of commercial taxi services between Shillong and Guwahati following recent violence in Shillong, including the alleged attack on tourists from Assam during a Khasi Students' Union (KSU) rally. The association also warned that taxi services from Assam to Meghalaya could be stopped if the situation was not addressed.The decision came amid growing tensions between taxi operators in Assam and Meghalaya following the violence during

the KSU rally, in which several vehicles were reportedly damaged and people injured.Taxi drivers' organisations in both states have reportedly staged protests over the incidents, raising concerns about the safety of passengers and drivers travelling between the two states. The Meghalaya taxi body demanded adequate security for transport operators and action against those responsible for the alleged attacks. The proposed suspension was expected to affect regular inter-state commuters and tourists travelling between Guwahati and Shillong.

Manipur Flags Off 16 Candidates for Overseas Jobs and Skill Training in Japan

Imphal, Aug 21: Manipur Chief Minister Yumnam Khemchand Singh on Friday flagged off 16 candidates selected for overseas skill training and employment in Japan under the state's State Livelihood Empowerment and Entrepreneurship (SLEE) initiative.At a programme at the Chief Minister's Bungalow in Imphal, Khemchand urged the candidates to remain connected to their roots and take pride in their Manipuri identity while adapting to Japanese culture and traditions.The Chief Minister presented each candidate with a replica of the Pena, an indigenous musical instrument of Manipur, and said their experience in Japan should not distance them from their cultural heritage.The selected candidates completed Japanese language training at the National Skill Development Corporation (NSDC) International Academy and secured jobs in Tokyo, Hokkaido, Okinawa and other parts of Japan, mainly in the healthcare and hospitality sectors.An MoU was also signed between the State Bank of India (SBI) and SLEE to provide financial support to the candidates.Khemchand also announced the resumption of public transport services on the Imphal-Dimapur-Guwahati route along National Highway-2. He urged people to use the government bus services and said high airfares between Imphal and Guwahati were placing an additional burden on commuters. One of the candidates, Dhanapriya Tensubam, who secured a job at Miyakojima Tokyu Hotel and Resort in Okinawa, thanked the Chief Minister and said she would work professionally while remaining proud of her Manipuri roots.

Tripura Cabinet approves four new railway police stations

AGARTALA, Aug 21: The Tripura Cabinet approved a proposal to establish four new Government Railway Police Stations (GRPS) to strengthen security for railway passengers across the state.

The new GRPS will be set up at Bishramganj, Udaipur, Belonia and Sabroom, taking the total number of railway police stations in Tripura to 14.The Cabinet also approved the creation of 105 posts across various categories, including Sub-Inspectors and Assistant Sub-Inspectors, to staff the proposed stations. In another decision, the state government approved a proposal to establish a university at Bishalgarh in Sepahijala district.

The Cabinet further sanctioned 305 new posts across various departments, including 200 Assistant Professor positions, as part of efforts to strengthen manpower and improve administrative and academic capacity in the state.

Nagaland signs 25-year PPA for 20 MW solar project in Mon

KOHIMA, Aug 21: The Nagaland government signed a 25-year Power Purchase Agreement (PPA) with Tvaksas Renewable Pvt Ltd on August 20 for the development of a 20 MW solar power project at Tizit in Mon district.

The agreement was signed between the Department of Power and the renewable energy company at the Nagaland Civil Secretariat in Kohima. The project will be developed at Lapa Lampong village in Tizit. The project will be Nagaland's first private solar Independent Power Producer (IPP) initiative and is expected to strengthen the state's renewable energy capacity and help meet its Renewable Consumption Obligations.Under the agreement, the Phase-I project will be commissioned within 20 months and supply electricity to the state grid at a fixed tariff of ?4.12 per unit, as approved by the Nagaland Electricity Regulatory Commission.

Chief Engineer (Transmission and Generation) Nitovi A. Wotsa said Nagaland's peak power demand stood at 203 MW and was projected to increase to 482 MW by 2034-35. He said the state was seeking to expand generation capacity and encourage private-sector participation to meet rising electricity demand.

The Power Department also urged the developer to complete the project ahead of schedule and provide employment opportunities to local people during its construction and operation.

The company plans to scale up its solar programme in Nagaland to 100 MW in phases. The 20 MW project is expected to generate around 35 million units of electricity annually for 25 years, reducing the state's dependence on power sourced from outside.

The project is also expected to prevent nearly 25,000 tonnes of carbon emissions annually and create employment opportunities for local youth.

Company officials said the project would support local employment, provide greater predictability in electricity costs and contribute to infrastructure and district-level development.

West Jaintia Hills bans loose sale of petrol, diesel amid agitation

JOWAI, Aug 21: The West Jaintia Hills district administration has prohibited the sale and distribution of petrol and diesel in loose quantities across the district, citing public safety concerns amid the ongoing agitation.

The District Magistrate issued the order under Section 223 of the Bharatiya Nyaya Sanhita (BNS) with immediate effect. The restriction will remain in force until further orders.The order came a day after a Khasi Students' Union (KSU) rally amid concerns over a possible escalation of the agitation. The administration said the measure was necessary to protect public safety and property and prevent any untoward incident.

The order prohibited the sale of petrol and diesel in jerry cans, bottles and other containers without proper authorisation. It said unauthorised sale and hoarding of petroleum products could create fire hazards, endanger lives and property and disrupt public order. The restriction was also issued in accordance with provisions governing petroleum products under the Petroleum Act, 1934. Violators will face legal action under Section 223 of the BNS and other applicable laws.

However, diesel supplies for mobile towers and road construction companies will continue in accordance with standing orders issued by the District Magistrate, subject to compliance with the Petroleum Act and other applicable regulations.
