Orvakal set to become drone hub

Govt will also focus on BVLOS technology, eGCA 2.0, skill development & pilot training: Min

EXPRESS NEWS SERVICE @ Kurnool

UNION Civil Aviation Minister K Rammohan Naidu announced that Orvakal Drone City will be developed as India's premier integrated hub for drone manufacturing, research, testing, certification and training, with potential investments of up to ₹5,000 crore and employment for 5,000 people directly and 25,000 indirectly.

Speaking after a round-table with 150 industry leaders on Tuesday, Naidu said all plots in the 600-acre facility would be allotted, with manufacturing expected to begin within two to three years. Eight of the first 12 plots, covering 55 acres, have already been allotted, with ₹130 crore invested.

A special committee of officials from the Civil Aviation Ministry, DGCA, Quality Council of India and other agencies will work on a three-month deadline to address industry needs, including testing, certification, sandbox facilities and airspace permissions. Calling Drone City the first of its kind in India, Naidu said it was conceived from Chief Minister Nara Chandrababu Naidu's vision of transforming Orvakal from a 'stone-based economy' into a technology-driven hub.

The facility will integrate manufacturing, R&D, testing, training and services. He highlighted the Centre's ₹120-crore PLI scheme, Drone Rules and measures to promote indigenous manufacturing, stressing the need to develop domestic components such as sensors, and communication systems.

With demand projected to exceed six lakh drones nationwide, he said the government would also focus on BVLOS technology, eGCA 2.0, skill development and pilot training.

Naidu urged youth to turn 'drone power into youth power', adding that the project could drive Kurnool's industrial growth.

He also said efforts would be made to introduce future flight services between Kurnool and Bengaluru and expand pilot training facilities through Flying Training Organisations at Kurnool airport.

SRM, APDC sign pact on drone tech

EXPRESS NEWS SERVICE @ Kurnool

SRM University-AP and Andhra Pradesh Drones Corporation signed a Memorandum of Understanding (MoU) to promote drone technology, research, innovation, skill development and real-world applications across the state. The MoU was signed in the presence of Union Civil Aviation Minister K Rammohan Naidu and Kurnool MP B Nagaraju, underscoring the growing role of drones in Andhra Pradesh's technology ecosystem.

Registrar Vinayak Kalluri said drone technology could transform agriculture, infrastructure, disaster management and healthcare. Dean-Research Ranjit Thapa noted the collaboration would enable interdisciplinary research.

Treat kids of Central staff as locals: HC

TG NAIDU @ Hyderabad

THE Telangana High Court has directed that children of Central government employees posted outside the State be treated as local candidates for medical admissions, finding no justification for excluding them from an exemption available to children of State government employees.

A division bench comprising Chief Justice Aparesh Kumar Singh and Justice GM Mohiuddin passed the order while disposing of a writ petition filed by Kodimela Samhitha, who challenged her exclusion from local-candidate status for MBBS and BDS admissions for the 2026-27 academic year.

Samhitha's father, an Employees' State Insurance Corporation employee, was transferred from Hyderabad to Tirupati in 2016 and returned to Hyderabad in 2024. She consequently completed her schooling in Andhra and could not meet the requirement of studying in Telangana for four consecutive academic years.

The petitioner argued that excluding children of Central government employees from the exemption available to children of Telangana government employees was arbitrary and violated Articles 14 and 15.

The court noted that the existing rules provide exemptions for children of State government employees, Telangana-cadre All India Service officers, defence and employees of Telangana corporations liable for transfer across India.
