DDC Reasi chairs maiden meeting of DMFT Governing Council

Discusses operational framework of the Trust

GJ REPORT

REASI, AUG 24: District Development Commissioner Reasi, Kumar Abhishek today chaired the maiden meeting of the Governing Council of the District Mineral Foundation Trust (DMFT), Reasi, marking an important step towards strengthening the institutional framework for the welfare and sustainable development of mining-affected areas of the district.

Member Parliament, Jugal Kishore attended the meeting through virtual mode.

Member Legislative Assembly, SMVD, Baldev Raj Sharma, Chief Planning Officer (CPO) Narinder Kumar and District Mineral Officer (DMO) were physically present, Member Legislative Assembly Gulabgarh Er. Khurshied Ahmed and other concerned officials participated virtually.

The meeting focused on establishing the operational framework of DMFT, reviewing its core responsibilities and deliberating on strategic planning for effective utilization of DMFT funds in accordance with the updated Pradhan Mantri Khanij Kshetra Kalyan Yojana (PMKKKY) guidelines.

DDC Reasi, Kumar Abhishek chairing a meeting of the Governing Council of the DMFT.

The Governing Council was apprised of the funding pattern and fund allocation strategy, with emphasis on the high priority sectors, which include drinking water supply, healthcare, education, environmental preservation, women and child welfare, welfare of senior citizens and persons with disabilities, skill development and sanitation.

Discussions were also held on the Other Priority Sectors, including physical infrastructure, irrigation, renewable energy and watershed development. The Council initiated deliberations for preparation of the Annual Plan for 2026-27, besides formulating a comprehensive five-year perspective plan for sustained and impactful interventions in mining-affected areas.

MP Jugal Kishore emphasized focused developmental interventions in High Priority Sectors and stressed the need for a robust five-year perspective plan. He also called for an effective mechanism and on-ground verification of proposed works before their execution to ensure optimal utilization of DMFT funds.

MLA Gulabgarh Er. Khurshied Ahmed highlighted the specific challenges faced by hilly and mining-affected areas and stressed the need for targeted protection works and development initiatives suited to the local terrain and requirements.

MLA SMVD Baldev Raj Sharma also emphasized the need for prioritizing development works in mining-affected areas, with special focus on improving basic amenities and essential infrastructure for local communities. He stressed that DMFT funds should be utilized in a transparent and need-based manner, keeping in view the specific requirements of affected areas and ensuring tangible benefits to the people.

The DDC reiterated the administration's commitment towards transparency, inclusivity and outcome-oriented utilization of DMFT funds. He directed the DMO Reasi to compile a detailed list of mining-affected areas, particularly those falling within a 15-km radius of mining sites and share the same with the MP and MLAs.

He further asked the elected representatives to provide their suggestions and identify priority works in their respective areas so that DMFT resources can be channelized towards addressing critical community needs and promoting sustainable development.

DC Kishtwar reviews progress under Aspirational Blocks Programme

GJ REPORT

KISHTWAR, AUG 24: Deputy Commissioner Kishtwar, Pankaj Kumar Sharma today chaired a review meeting to assess the improvement in key performance indicators (KPIs) and the progress of developmental works being undertaken in Block Marwah and Block Warwan under the Aspirational Block Development Programme 2026-27 of the Government of India and the Union Territory Government of J&K.

Deputy Commissioner Kishtwar, Pankaj Kumar Sharma chairing a review meeting on Monday.

The Deputy Commissioner reviewed the progress of key performance indicators (KPIs) under key sectors, including health and nutrition, education, agriculture and allied activities, basic infrastructure, drinking water, sanitation, financial inclusion and social development. The physical and financial status of ongoing works, sector-wise achievements and critical gaps were discussed in detail.

Chief Planning Officer (CPO) Akhil Thakur apprised the Deputy Commissioner about the current status of various ongoing works. The DC also reviewed the progress of works under the District Capex Budget 2026-27 for Aspirational Blocks Marwah and Warwan.

The Deputy Commissioner directed the concerned departments and executing agencies to expedite the pace of work and complete all ongoing projects within the stipulated timelines. He further directed the agencies to start works immediately where the tendering process has been completed and works have been allotted.

The DC directed that the salaries and increments of officers and other employees may be withheld, as per rules, in cases where poor progress is due to negligence of duties.

The Chief Education Officer (CEO) was directed to take necessary measures to improve the pass percentage of boys and girls at the secondary and higher secondary levels.

The Chief Medical Officer (CMO) was directed to complete the NQAS certification process and improve NCD screening in both the Aspirational Blocks.

The PO ICDS was directed to improve supplementary nutrition coverage and take effective measures to reduce SAM and MAM cases.

The Lead District Manager (LDM) was directed to increase banking access points in Sub-Division Marwah, with special focus on establishing ATM facilities.

The Deputy Commissioner stressed the importance of timely execution of works, close monitoring and coordination among departments to ensure effective implementation of the Aspirational Blocks Programme and improve socio-economic conditions in both blocks, Marwah and Warwan.

Health services scenario reviewed in Reasi

GJ REPORT

REASI, AUG 24: The monthly review of the Health Department Reasi was conducted today here at a meeting chaired by Chief Medical Officer Dr. Mohd. Yousaf Khan.

The meeting reviewed the progress of the National Health Programmes and other key health initiatives being implemented across the district.

Medical Superintendent, District Hospital; all Block Medical Officers; District Programme Management Unit (DPMU); District ASHA Coordinator (DAC); all Block Programme Management Units (BPMUs); all Block ASHA Co-ordinators (BACs); STLS; STS; RMNCH+A Consultant; DEIC Manager. AM DH and DEO, DH along with other concerned officials attended the meeting.

The meeting assessed the progress achieved in the implementation of National Quality Assurance Standards (NQAS), Ayushman Bharat Digital Mission (ABDM), promotion J&K SEHAT App, PM-ABHIM, Drug and Vaccine Distribution Management System (DVDMS), National Programme for Prevention and Control of Non-Communicable Diseases (NCD), Health Management Information System (HMIS), Reproductive and Child Health (RCH) and other ongoing health programmes.

Dr. M. Y. Khan reviewed the performance of all health institutions and emphasized the need for timely achievement of programme targets, improved service delivery and strict adherence to reporting timelines. He directed all Block Medical Officers to expedite pending activities under NQAS certification, strengthen implementation of ABDM and J&K SEHAT initiatives, ensure timely up-dation of data on HMIS and RCH portals, maintain adequate availability of drugs through DVDMS and closely monitor NCD-related services at all health facilities.

The Chair also stressed the importance of effective coordination among district and block-level teams, regular field monitoring, prompt resolution of implementation gaps and maintaining quality healthcare standards across all institutions.

The administrative and programme-specific issues were also discussed in detail and necessary directions were issued to the concerned officers for their timely compliance. The meeting concluded with a renewed commitment from all participants to strengthen healthcare services and achieve the district's health programme objectives effectively.

Cyber Police Ramban holds awareness programme on online safety

PARVAIZ AHMED

RAMBAN, AUG 24: Cyber Police Station Ramban today organised a cyber awareness programme at the Community Hall near T-Chowk to sensitise citizens about cyber safety, online financial fraud and emerging cybercrime threats.

The programme witnessed active participation from students, local residents and members of the general public. During the session, participants were briefed about various forms of cyber fraud, including OTP scams, phishing, fake calls and messages, UPI and online payment frauds, shopping scams, fake investment schemes, social media fraud and identity theft.

Participants were advised to remain cautious while using digital platforms and social media and never share OTPs, PINs, CVVs, passwords, banking credentials or other sensitive information with anyone. They were also cautioned against clicking suspicious links, downloading applications from unknown sources or responding to unsolicited calls and messages.

The programme highlighted the importance of maintaining good cyber hygiene, using strong and unique passwords, regularly updating devices and applications, securing social media accounts and enabling two-factor authentication to prevent unauthorised access.

The public was specifically informed that victims of financial cyber fraud should immediately contact the National Cyber Crime Helpline at 1930 and report the incident without delay. Prompt reporting can help authorities initiate timely action and improve the chances of preventing further loss and recovering defrauded funds.

Cyber Police Station Ramban reiterated its commitment to organising regular awareness programmes and outreach activities to promote responsible digital practices and strengthen public awareness against the evolving threat of cybercrime.

Bhaderwah Campus hosts workshop on EEG-Based Brain-Computer Interface

Participants posing for a group photograph at Bhaderwah.

GJ REPORT

BHADERWAH, AUG 24: The Department of Computer Science & IT, Bhaderwah Campus, University of Jammu, in collaboration with g.tec Medical Engineering GmbH and the Association for Computing Machinery (ACM), organised a two-day workshop on "EEG-Based Brain-Computer Interface (BCI): Principles, Applications and Hands-on Traning" on August 21-22.

Held under the patronage of Vice-Chancellor Prof. Umesh Rai and Rector Bhaderwah Campus Prof. Rahul Gupta, the workshop provided participants with theoretical knowledge and practical exposure to EEG-based BCI, Visual Evoked Potentials (VEPs), EEG signal acquisition and emerging neurotechnology.

Prof. Rahul Gupta joined the programme virtually and congratulated the department for organising the workshop. He stressed the importance of practical exposure to contemporary technologies and highlighted the growing role of computer science and emerging technological fields.

Around 100 students, research scholars and faculty members from different departments participated in the workshop.

Anubhav Rakshit, Field Application Scientist, g.tec Medical Engineering GmbH, Austria, served as the resource person and conducted hands-on sessions using professional EEG and BCI systems.

Participants received practical training in electrode placement, impedance testing, EEG/VEP acquisition, signal processing, feature extraction and BCI evaluation. They were also introduced to applications including visual spellers and neuro-rehabilitation.

At the conclusion, Rakshit was felicitated with a memento and certificate of appreciation. Participants appreciated the interactive format and expressed interest in further exploring BCI, biomedical signal processing, artificial intelligence and neurotechnology.

Dr Neeraj Kumar, Organising Secretary, delivered the vote of thanks and acknowledged the support of the university leadership, resource person, organising team and participants.

GDC Kunjwani organises entrepreneurship awareness programme under Mission YUVA

GJ REPORT

JAMMU, AUG 24: Government Degree College (GDC) Kunjwani organised an orientation and awareness programme under the Udyam Jagriti 5.0 - College Campaign, being implemented under Mission YUVA, with the aim of promoting entrepreneurship, business acumen and innovative thinking among students.

The programme was held under the guidance of Principal GDC Kunjwani, Dr Manisha Sarup Kohli, whose leadership has encouraged initiatives aimed at enhancing students' career opportunities and entrepreneurial skills.

Participants posing for a group photograph at GDC Kunjwani.

A team from the District Employment and Counselling Centre (DE&CC), Jammu, participated in the programme and provided students with information about entrepreneurship, the Mission YUVA credit scheme, business idea development and opportunities to participate in the District-level Hackathon.

During the session, students were encouraged to identify innovative solutions to real-life challenges and consider entrepreneurship as a viable career option. The campaign provides a platform for students to develop and showcase ideas in sectors including Tourism and Hospitality, Handicrafts and Artisan Economy, and Agriculture and Food Processing.

Speaking on the occasion, Dr Manisha Sarup Kohli stressed the need to develop an entrepreneurial mindset among students and encouraged them to identify opportunities and transform innovative ideas into sustainable ventures. She appreciated the DE&CC team for providing valuable guidance to students.

The programme was coordinated by Dr Rohini Jamwal, Nodal Officer, Udyam Jagriti 5.0, and Dr Neeru Sharma, ensuring active participation of students and faculty members.

The programme concluded with a vote of thanks by Dr Neeru Sharma, who expressed gratitude to the DE&CC team, college authorities, faculty members and students for their participation and cooperation.
