QUAKE ROCKS JAPAN; DOZENS FEARED TRAPPED INSIDE MALL

This aerial image shows the damaged AEON Mall following an earthquake in Kashima, Kumamoto prefecture, southern Japan | AP

TOKYO

DOZENS of people were feared trapped in a shopping mall in Japan on Tuesday after a major earthquake toppled buildings, sparked fires and reportedly killed one person and injured more than 100.

Private broadcaster TBS reported that a "considerable number" of people were feared dead inside the mall in the town of Kashima after the fire brigade said that the second floor collapsed in the 7.1-magnitude tremor.

Emergency services earlier said "many people" were trapped inside the building.

Public broadcaster NHK cited police sources as saying that between 20 and 30 employees could not be contacted, showing footage of emergency vehicles with flashing red lights outside. Police told AFP they could not confirm any fatalities inside the building. *Kyodo News* reported that four people had been taken to hospital, all of them conscious. Multiple people were also believed to be unaccounted for at a factory in Yatsushiro city where the tip of a chimney fell down, NHK reported, citing sources.

One person was killed when a house collapsed during the quake, Kyodo reported.

NHK aired footage from elsewhere in the southwestern Kumamoto region on Kyushu island showing several blazes, damaged bridges, a derailed cargo train and a number of houses threatening to topple over.

Chiharu Hara, a 35-year-old recruitment agent who was in Kumamoto, told AFP that she was "terrified" when the quake struck. "The office swayed violently side-to-side. I was afraid it would collapse. Everyone panicked," Hara said.

The tremor at 4.27pm (0727 GMT) had a magnitude of 7.1, the Japan Meteorological Agency said, but reached the highest level of seven on Japan's Shindo scale. The US Geological Survey put the magnitude at 6.8. A succession of aftershocks followed, including one with a magnitude of 6.1 at 5.08pm.

Hundreds of earthquakes strike Japan every year, but the vast majority cause little damage.

Many roads were closed and high-speed shinkansen train services were suspended in the region affected by Tuesday's quake. Kumamoto airport was closed for several hours before re-opening in the evening. Two hospitals reported taking in at least 50 injured patients each, NHK said. *AFP*

SYMBOLIC POSSESSION NOTICE

ICICI Bank | Branch Office: ICICI Bank Ltd. 4/10, Mythree Tower, Bommanhalli Hosur Main Road Bangalore- 560068
